**BRIEFING MEMORANDUM FOR DCI**

**SUBJECT** : Reaction to Overflights of 5  
November

25X1A

1. On 5 November 8 [REDACTED] operated over Cuba. Two F8U's on the road into Santa Clara noted 2 MIG-21's approaching. Since they assumed that the MIG's were making a run on the reconnaissance planes, they broke off and withdrew. [REDACTED]

25X1D

25X1D

[REDACTED]  
that the pilots misconstrued the action of the 21's and that no intercept attempt was being made.

2. The BRASS KNOB flights were reflected in the Cuban air defense traffic also on 5 November. No evidence of any attempted intercept or other hostile action is indicated.
